Häagen Dazs

VIP Shop & Dine 4Less Card Offer: 20% Off Entire Check

It's the world's first super-premium ice cream, introduced in 1961. That's when lifelong ice cream entrepreneur Reuben Mattus (who 40 years earlier helped his mother sell fruit ice pops on the streets of New York City) began selling Häagen-Dazs Chocolate, Coffee and Vanilla ice cream in pint-sized containers throughout New York City. For decades, he experimented, tested and ultimately perfected the world's finest ice cream.

From the beginning, Häagen-Dazs has been special. Its mouth-watering flavors, dense, creamy texture, and innovative products all reflect a deep commitment to quality. It took six years, for example, to find strawberries sweet enough to carry the Häagen-Dazs name.
