VIP Shop & Dine 4Less Card Offer: 25% Off Food Only

Mama Cozza's Italian Restaurant is one of a kind! We've been serving fine Italian food since 1965 and are now celebrating our 45th year, thanks to you, our special guests! At Mama Cozza's, you can enjoy an intimate dinner for two or a large family feast. Throw a catered party in our Banquet Room or just stop by our lounge to watch a game. We boast a full bar, a diverse wine list, and special Italian desserts-all served in the friendly, neighborhood atmosphere of a family-owned establishment.

Our family cooking secrets have been handed down over the generations. The freshness shows in every preparation, whether Northern, Southern, or in between...it's just Italian! Everyone leaves satisfied—no one leaves hungry! We serve seafood, lamb, veal, steak, chicken, salads, sandwiches, pasta, and pizza, as well as prime rib Fridays through Sundays.

Even if you're not one of our regulars, you'll feel like one in our comfortable lounge. We have six TVs tuned to the wide world of sports, from football and baseball to basketball and hockey. And on Friday and Saturday nights, the lounge features live musical entertainment. Sit back and listen, get up and dance, or even sing along! Everyone has a great time.

If you're looking to host a business meeting, birthday party, or wedding reception, our Banquet Room can't be beat. We welcome parties of 25 or more to come enjoy breakfast, lunch, or dinner. We'll also be happy to bring some of Mama's cooking to you through our catering service.

Mama Cozza's is just 2 miles west of Disneyland and close to Knott's Berry Farm and many other Southern California attractions. We are conveniently located close to the 5, 91, and 22 freeways.
