Dawn M. Says: The pizza was the best I've had in a very long time... maybe even the best I've ever had! The dough had a great flavor and the cheese was delicious. The service was amazing and the staff was very pleasant. Here's to crowning Kings Pizza the winner! :)

Laura C. Says: Good garlic rolls and huge slices of yummy pizza! Would definitely recommend it if you are craving a decent Thin slice pizza fix. They have my business going forward. My son loves it!
