Handicapped Accessible

What to Expect

Welcome to the Taste of Celebration Tour. Your guide will meet you under the marquee at the theater across from the lake 15 minutes before the tour is to depart so you can get checked in. From there you'll walk at a leisurely pace stopping at 5 locations to taste food and drink representative of what those restaurants do while learning about that establishment and of course some of the history, architecture, and culture of Celebration. There will be plenty of time to ask questions and take photos. Lastly, if you enjoy your time with us and think your guide deserves a gratuity, yes they are gladly accepted.

Let our local guides show you what this gem of a place has to offer culinary wise and get some insight into Walt Disney's All American town.

Columbia Restaurant

Founded in 1905 by Cuban immigrant Casimiro Hernandez, Sr., the Columbia Restaurant in Tampa is Florida's oldest restaurant. Enjoy the old world charm and world class food at the Columbia's 5th location in Celebration.

Celebration Town Tavern

The term "tavern" can evoke a lot of images, comfort being one of them. Be assured, this family-owned New England seafood restaurant is just that. Fresh seafood is flown in from Ipswich Mass several times weekly. Enjoy whole belly clams, Maine lobster, Boston scrod, Fish N' Chips etc.

Bohemian Hotel

Perched on the lake, the Bohemian Hotel Celebration evokes the elegance of yesteryear coupled with contemporary convenience and an unparalleled level of service.

Imperium

Imperium Food and Wine was recently voted one of Orlando's favorite wine bars. From the extensive wine list, boasting wines from all over the world, to the local art hanging on the walls, to the ever changing craft beer selection. Relax on one of the outdoor patios, sip on a nice glass of wine, and enjoy one of the delicious dishes Imperium Food and Wine has to offer.

Kilwins Ice Cream

WOW is what most people say when they walk into our Kilwins store. The smell of the chocolate, fudge and caramel products being made along with the fresh baked waffle cones can be just WOW. You can see lots of products on display from the hand dipped chocolate, Caramel apples, pretzel sticks, Twinkies, Oreos, marshmallow puffs and Krispie treats. You can also see the Fudge, Caramel Corn and Brittles with Cashew and Pecan nuts being made in our copper kettle and then mixed on the marble slabs.
