## **Welcome/Bienvenidos!**

Family owned and operated by the Lemieux and Barbusci families, Tree Trek Adventure Park welcomes guests to the thrills and excitement of an aerial adventure set in a natural 15-acre pine tree forest just minutes away from the Disney theme parks. At Tree Trek you'll discover 97 aerial games for all ages and abilities that will challenge you and get your adrenalin pumping. The adventure begins when you check in at our Welcome Center where you'll be outfitted for your climb and meet one of our trained guides who will show you how to safely navigate our courses.

## **HOW FAR CAN YOU GO?**

You'll swing through the trees, climb ladders, leap into nets, cross wobbly suspended bridges, navigate swinging logs, test your courage on skate boards and soar through the trees to a breathtaking finish on giant zip lines.

Adults start on Green and finish on Red. Juniors navigate from Green through Silver. As you gain new skills, you'll advance from course to course. As you climb higher into the trees the thrills become more challenging. Complete our Red Course and you've got bragging rights!

2 separate Kids Courses feature 21 games and allow climbers to safely test their courage while parents walk on the path below snapping photos. Come on out and make lasting memories!
